

CONTOOCCOOK VALLEY RADIO CLUB
GENERAL MEETING 3/8/2016

1. There were approx. 24 people present.
2. It was noted that the June meeting will be on the FIRST Tuesday of the month, rather than the normal second Tuesday.
3. The Flea Market is coming up rapidly, on Sunday, March 13th.
4. Mike Plunket will bring cookies and Don will bring drinks for the next meeting.
5. Steve Jones, Secretary, mentioned that plans are being discussed for face to face, town by town contact with radio amateurs to solicit their membership. Present members would go to non-members in their own towns to see if they are interested in joining our club. This has been done, once before, years ago with some measure of success.
6. Larry Beagle began his presentation on antenna analyzers. It was a power point presentation.
7. Larry mentioned several different models, his presentation was excellent and it was well received.
8. More on the Flea Market from Don Curtis: 25 tables are already reserved. Help for setup and breakdown is sorely needed. Mickie and Dave Connors will work on food, as they have done, so often in the past.
9. Flea Market Hours: 7:00 am for vendors, and 8:00 am for everyone else.
10. Mickie, W1MKY, gave the Treasurer's Report and Steve gave the Secretaries report, as written by Dale, AF1T, in Steve's absence.
11. The reports were accepted by the group.
12. The meeting was adjourned at 9:20 pm.

Respectfully submitted,
Steve Jones, N1JHJ,
Secretary,
