

CVRC GENERAL MEETING

April 8, 2014

1. Since Dale & Mickie were arriving late, Steve Jones started the meeting at 7:25 pm with a reading of the Minutes of the last Executive Board Meeting of 3/25/14.
2. There were 29 people present.
3. Soon Mickie and Dale arrived and Mickie gave a financial review of the Flea Market. It was very successful.
4. A motion was made, seconded voted upon and passed to accept both the Secretary's and Treasurers reports.
5. Noted by Don Curtis that Aug. 5th, 2014 starting at 5:00 pm will be the next "Night Out Against Crime". We were again asked to attend by the Concord Police Dept. It was discussed and agreed that we would attend and support the activity. It will again be at Rollins Park.
6. Mr. Palumbo asked if the CVRC might participate in a church activity this coming August at his church in Peterboro. We will pursue the matter further when he provides us with more details and an actual date.
7. Mr. Palumbo will bring snacks for the next meeting. Steve Jones will bring CVRC left over drinks.
8. We began the "SHOW-AND-TELL" portion of our meeting and it was noted that there were at least 10 fascinating items being shown to the group. Some were kits, some were a bit expensive and some were unbelievably inexpensive. The group enjoyed all presentations and much discussion about certain items continued, during the break.
9. Some of the items shown were Dale's 220 transverter, Stan's rattail antenna extension for an HT, Steve's VHF receiver kit, Stormy had a poor man's antenna tuner, Ken showed his distance and direction measuring system, Larry had an antenna launcher, Don had his new 2 meter "Go Kit", Barry had a Keyer Switcher and a time domain device, Dave P. had a 100mw 30M QRP transceiver, Peter had a QRP HF transceiver, Neil had various plaques and awards. There were one or two others that did not make it into these minutes.
10. The meeting closed at around 9:40 pm.

Respectfully Submitted

Steve Jones, Secretary, N1JHJ
