6. Special events; Steve Ingham turned over special event responsibilities to Bill Shurbert ,CAARES EC. However Bill has relocated and is unable to fulfill those duties. Don Curtis has taken over special events for the time being. On Sunday, March 28th WalkAmerica took place in Hillsboro. Due partly to the short notice we received and the above mentioned changes, we were unable to get enough volunteers recruited. Thanks to Rich Browning K1RAB who enlisted other ARES volunteers from the area the event was covered.

Respectfully submitted; Donald Curtis Secretary
