

CVRC BUSINESS MEETING MINUTES AUGUST 24, 2010

Officers present: John Moore N1FOJ, President; Don Curtis N1ZIH, Interim Secretary

Jim McElroy discussed the rocket club program at the high school in Weare. It was proposed that we buy a radio and donate club funds for the project working with Mike Crestohl W1RC, and funds from proceeds from NEARfest earmarked for the planetarium project.

John N1FOJ suggested that we donate a radio in the event the rocket club disbands.

We also discussed putting the finishing touches on the planetarium station installation. We will be contacting Dave McDonald and Sandt Michener regarding do they have a computer and to plan on when we can accomplish the completion.

A check was issued to Lee AA1YN for \$264.16 for the cost of our club outing food. We had at a previous meeting voted to reimburse him up to \$300.00 for the food. Thanks again to Mary and Lee for their usual great job and hospitality.

It was also discussed moving the outing date up one week so we can as a club attend the Weare military vehicle rally and set up a display.

As was previously mentioned, Jenn Eastman is unable to finish out the year as secretary, so Don Curtis has volunteered to finish out her term.

The meeting was adjourned at 8:30 pm.

Respectfully submitted.

Don Curtis N1ZIH acting interim secretary, or is it interim acting secretary?
