2. We can all download a new flyer (see copy) and reproduce it in time for our Flea Market in Henniker School, to be held on March 27, 2011. We can all download the flyer, make copies and get them distributed to various communities. The one we download was done by Lindsay Collins.
3. Old Business: We still need to buy an HF Antenna as a prize for the Flea Market. It was decided it was to be equal or similar to a Cobra or a G5RV type. Other prizes have already been obtained.
4. Reminder: The summer picnic for any CVRC member will be held on the 23rd of July. Come one, come all. There is no charge for some great food.
5. It was mentioned that there is to be a gathering at the McAuliffe-Shepard Discovery Center commemorating the 25th Anniversary of the Challenger Tragedy. It is to be held on Friday, 1/28/11 in two parts:
 - a. (1) From 5-7:00 PM for folks who knew Christa and
 - b. (2) from 7:00-9:00 for the general public. Call the Discovery Center if there are questions. You can call 271-1110 and ask for the Center.

7. A call was made to Pete Stohrer regarding the development of a new brochure for explaining the mission and activities of the CVRC to be made available at various functions and to various people as needed and in the future.
