

CONTOOCOOK VALLEY RADIO CLUB

EXECUTIVE BOARD MEETING – 10/23/18

1. Present: Jen Shaw, Larry Beagle, Mike, Ken Wilkens, Mickie and Dale Clement, Steve Jones.
2. Mickie reviewed the Treasurers Report. It was noted that the club credit card (a debit card) has to be checked by the issuing company for some problem.
3. Reminder: THE CLUB CHRISTMAS PARTY is set for the Ichibon Restaurant on Dec. 8th at 4:30 till 8:30 pm. If you plan to eat there, arrive no later than 5:00 pm to order your meal/s.
4. Noted that the K1BKE website (K1BKE.org) is down right now and will hopefully be all set again, soon.
5. The above website operates from a computer at Pat Hart's home, our past President. We believe there was a storm related power failure and the server did not reset. As stated, the problem should be handled soon.
6. We had a lively discussion on using the club websites, including the new K1BKE.io more effectively..... It was noted that if you aren't checking the web site periodically, you will be out of touch with all of what's going on. This presents multiple problems with club officers, activities like a club picnic, Field Day, etc. and being available for public service events and emergencies..... Discussion to continue.
7. Field Day will be discussed again at the November meeting.
8. Noted that Larry Beagle paid his \$12 dollars for the construction of a 10 meter dipole
9. The meeting closed shortly after that discussion.

Respectfully Submitted,

Steve Jones, CVRC Secretary, N1JHJ
