

**The Contoocook Valley Radio Club  
Picnic/cookout/foxhunt  
July 15, 2001**

In lieu of the regular club meeting in July, the club voted at its June meeting to have an outing at Elm Brook Park in Hopkinton Sunday July 15. The weather could not have been more pleasant! Skip Doughty, N1PHZ, brought the necessary tools and cooking equipment, Dave Connors, N1TKP, and his daughter Chris gave generously of their time to cook and serve the food. On arrival, many of the members who brought their HT's were seen walking around the park trying to locate the "FOX" that Ken Wilkens, K1MID, had hidden the day before. Unofficially, Tim Firkowski, KB9DGB found the hidden transmitter first and then Jason Greene, N1IIC, The best homebrew antenna was Dale's, AF1T.
