

CVRC MEETING MINUTES OCT. 11TH ,2005

Officers present; President, John Moore N1FOJ VP Dale Clement AF1T Secretary Donald Curtis N1ZIH.

After a round of introductions Chip Taylor W1AIM gave a really interesting presentation on his cx9ss DXpedition to St. Paul Island.

1. welcome to new member Glenn Werner K1PCB who upgraded to general at the 2005 CVRC hamfest .

2. Secretary's report; the fire prevention day activities were a huge success thanks to Dale AF1T Micki W1MKY Russ KB1JCX AND Steve N1JHJ for assistance. Hosstraders; The club tent was manned only by me this fall. I realize the weather was a factor, but next spring if I don't get more help there, I will be setting up my own table. Thanks TO John Moore, N1FOJ for assisting me while he was manning his own tent. I know the way it has been done in the past is to offer members the chance to sell their stuff, but we also are representing the club. So at least spend some time at the tent. It would be sincerely appreciated. Some members are members of other organizations and spend time manning their tables and I don't have a problem with that, but I think the CVRC deserves the same consideration.

3. President's report; Articles are needed for the newsletter by the end of the week. Submit them to Lee AA1YN. John read his article for the Key. Nominations for 2006 officers are now open. Nominations so far include John Moore N1FOJ for president, Don Curtis N1ZIH for secretary, Dale Clement AF1T and Micki Bergh W1MKY for vice president and Al Bardwell NS10 for treasurer.
