

## CVRC GENERAL MEETING – 10-11-11

1. The meeting started at 7:33 pm.
2. It was noted that previous minutes are available at K1BKE.ORG, look for “About the CVRC”, then its under that category.
3. There were approx. 19 people present.
4. Woody Beckford will be the presenter. It has been noted that only two showed up at the previously stated time to see his “facility”. Another opportunity will be available on Nov. 5<sup>th</sup> at 2:00 pm. Please come. Its amazing.
5. Woody Beckford, WW1WW is located at 250 Couchtown Rd. in Salisbury, NH. Call in will be on 2 meters at 146.580 MHz. FM Simplex.
6. Woody began his presentation on “Stacking HF antennas”. He described and showed pictures of many combinations and configurations which are on various towers near his house.
7. His rotators support approx. 15,000 pounds of tower, guy cable, guy pressure and antennas.
8. There was much valuable info presented. Thanks Woody and Fred as well.
9. The Treasurers Report was given. Mickie: We had a few minor expenses last month but we are doing quite well, over all.
10. The Secretary’s report was given and the above reference was given to view the previous minutes, in detail.
11. NEARFEST is upon us. John Lind, WB2VHZ will look for help at the club trailer at Mickie’s house at 831 Hemlock Corner Loop up the hill and near our Field Day site. It’s the 1<sup>st</sup> house on the right up on that street. Dave Connors will bring 4 tables for our NEARFEST setup, assuming its outdoors. Club setup people will operate on 146.895 Simplex.
12. NEW BUSINESS: A question will be read during three monthly meetings. That is: Should the information provided to the club be made public for club related specific uses? That is the Info on membership applications.
13. A compromise was suggested.... That only names and call letters be shared and if folks require any additional info, they can get it on QRZ.com. Also Lindsay noted that about 100 people are listed on the club reflector already. You all should take a look.
14. Noted that Oct. 25<sup>th</sup> is the next Business Meeting. It will be 7:00 p at Dale’s house. N1MXJ, Mike, will look into having Business Meetings at Northeast Delta Dental’s facility. It would be restricted to occur from 7:00 pm to 9:00 pm. As usual it would be on the 4<sup>th</sup> Tuesday of each month. More on this later.

Respectfully submitted,  
Steve Jones, Secretary
