GENERAL MEETING – 11/13/18

1. The meeting started at 7:29 pm.
2. There were 20 people present.
3. Noted that March 24th will be the date for our Flea Market which we believe will again be at the Henniker Middle School. Confirmation to come soon.
4. It was moved to hold the next Field Day at Dale's house on Craney Hill, Henniker. Motion seconded by Larry Beagle. It was voted upon and passed unanimously.
5. The next Steering Committee meeting will be at Jennifer's house on November 27th.
6. Dec. 8th will be the Christmas Party at the Itchibon Restaurant on Manchester St., Concord, as in the past.
7. The Discovery Center radio station is looking for more volunteers. The vetting process for security purposes has been simplified, and there is no longer a reimbursable charge for the check that used to be done by the State Police.
8. Please contact KB1YSK, Stan Burbank or Don Curtis, N1ZIH, for more information regarding the Discovery Center.
9. The Business Meeting ended, and Steve Jones began his presentation on Building a Dipole antenna.
10. There were 6 people signed up, but three or 4 were present to build their antennas. The rest of the people looked on and all enjoyed the experience.

Respectfully Submitted
