

CONTOOCCOOK VALLEY RADIO CLUB

GENERAL MEETING – 8/10/21

1. Wolf talked about his introduction of video club notices instead of written ones. Even though they were not seen by many people yet, he plans to make adjustments and continue them.
2. There were 15 people present, and 3 on Zoom.
3. Reports were given by the Secretary and the Treasurer.
4. Both reports were voted on and approved by the members.
5. AC1EO was here for the first time. He's a new member.
6. The Scholarship Comm. Chairman reported on the funds collection process. We are up to about \$35 dollars so far.
7. The Business portion of our meeting closed at 7:58 pm.
8. Dale introduced our guest speaker, Mr. Fred Kemmerer, as he was preparing the technology for his presentation.
9. Fred began with describing several impediments to hams being able to be successful in the hobby.
10. Some were: microphone fright, unable to put up an antenna, difficulty in affording and choosing a radio, and others.
11. Fred clearly conveyed his enthusiasm, his success and his experience for the well being of the hobby.
12. The presentation was very well received and there were several questions from those present and from someone on Zoom.
13. The meeting ended with snacks and apple cider.

Respectfully Submitted,

Steve Jones, CVRC Secretary N1JHJ
